Certified Installer Program Guide

VERICOM[®]

The Future Of Technology - Today.

Join the Vericom Certified Installer Program and gain access to the 25-Year Cable/ Connectivity Warranty.

The Certified Installer Program is an alliance between Vericom Global Solutions and quality structured cabling and network infrastructure solutions contractors. Vericom encourages contractors to utilize our products regularly to maintain familiarity and improve installations.

In exchange for the right to offer the Vericom 25-Year Cable/Connectivity Warranty, contractors are expected to implement continuous training for project managers and technicians. While Vericom products are tested to meet all industry standards, the Vericom Certified Installer will adhere to all industry standard installation practices.
