

PROBLEM: RISING FREIGHT SURCHARGES LEVIED BY CARRIERS ON LONG PALLETS

Most freight carriers now apply hefty surcharges for pallets greater than 8-ft. long, often doubling shipment costs for a 10-ft. long cable ladder rack.

FREIGHT COST =
130%
GREATER THAN
PRODUCT COST
On average when shipping a 10-ft. long cable ladder rack with select accessories.

Increase in Surcharges = Freight Fees Being More Than the Value of the Products

SOLUTION: VERICOM 5-FT. LONG CABLE LADDER RACK KIT

Order the Vericom 5-Ft. Long Cable Ladder Rack Kit to avoid hefty surcharges and drastically cut freight fees.
